Photos: How to …

… take, store, organise, share and enhance them.

Phil Bass and Mary Opie, November 2024

Overview

A *Master I.T. Workshop* by the *I.T. for Everyone* group

- Introduction

- Take

- Store

- Organise

- Share

- Enhance

Introduction

Essential Information

...

- Gorse Covert Wi-Fi password: GorseCCCPublic120

- The presenters have two challenges today: 1) a mixed ability class and 2) a variety of devices with different apps.

  - We will start with the basics. We may not have time to cover the more advanced topics.

  - The slides will show screenshots from Apple devices running reasonably up to date software.
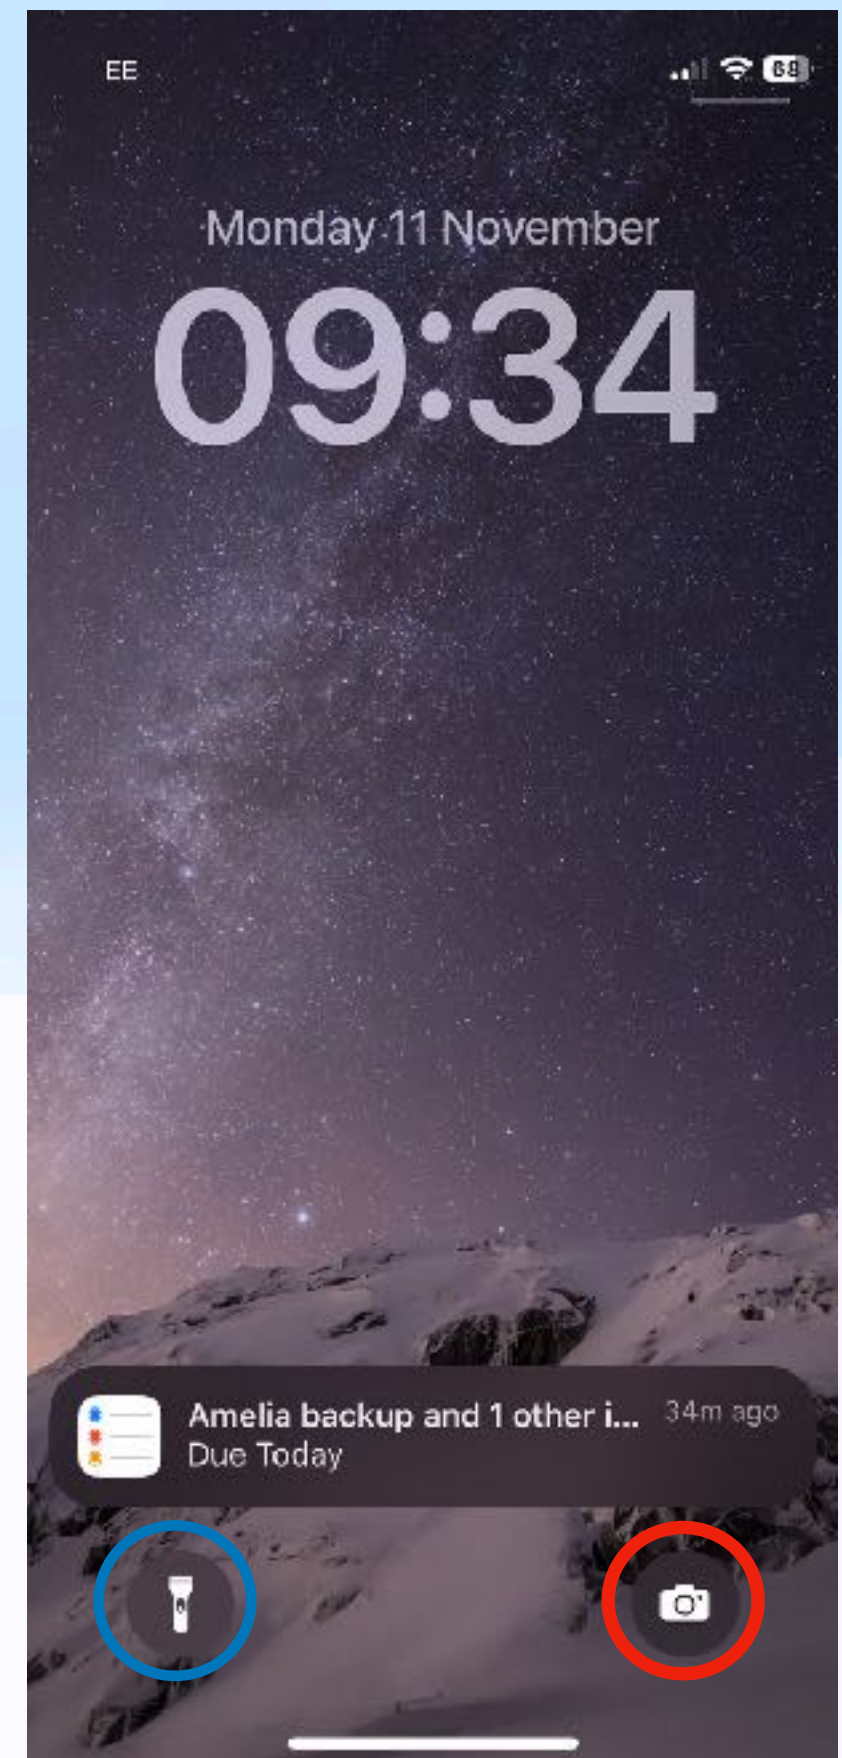

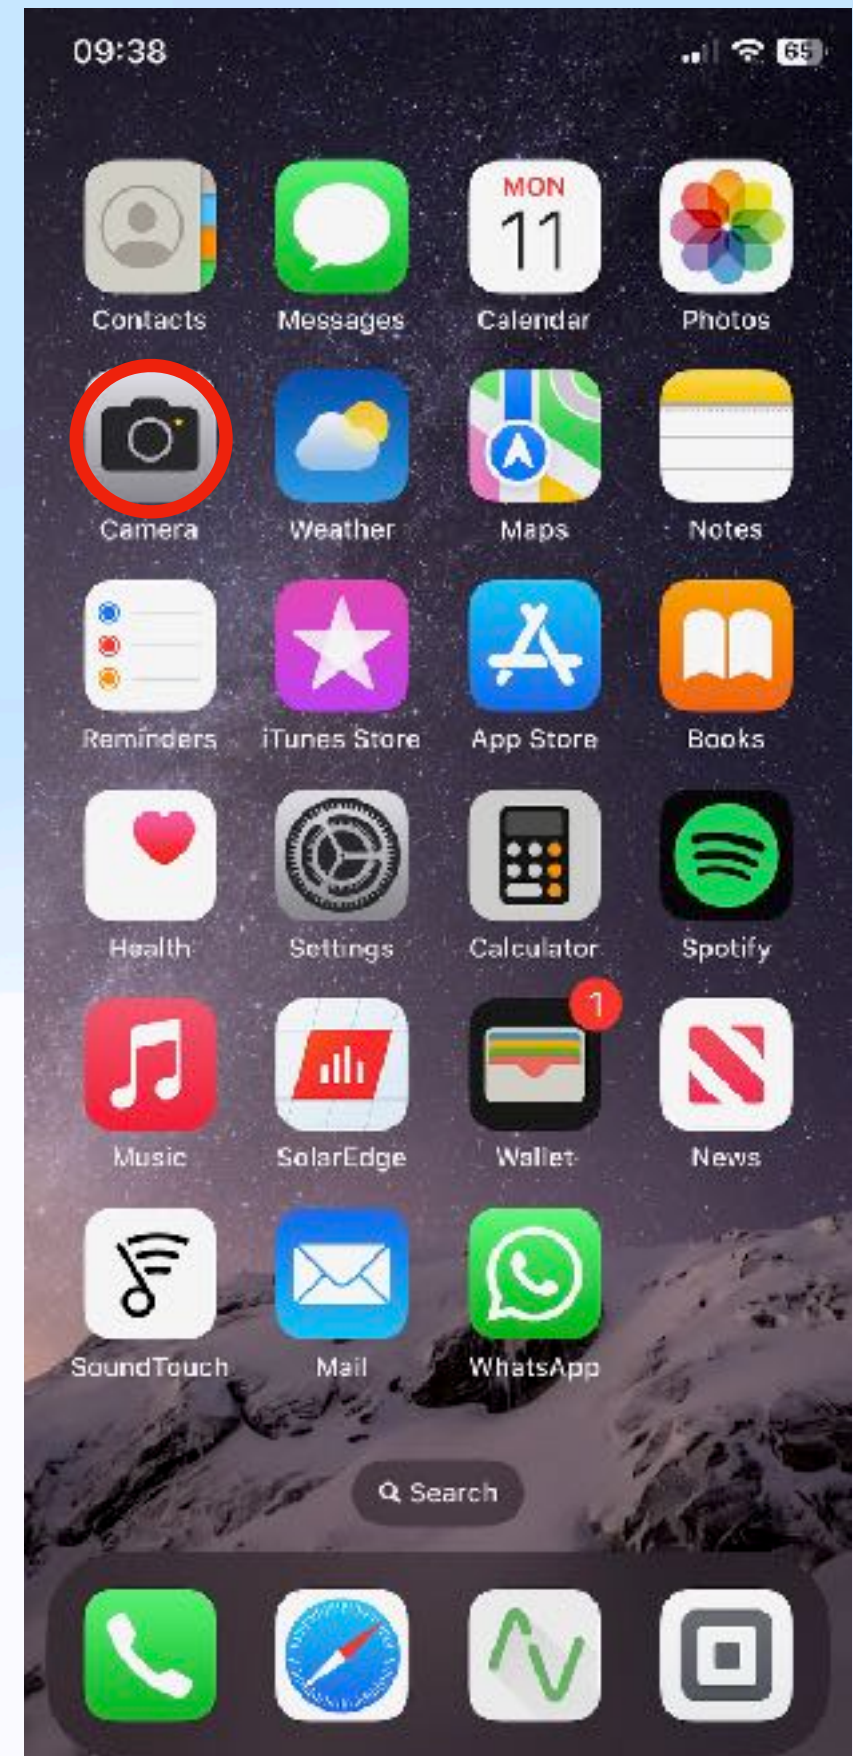

- There will be a coffee break at about 10:45 am.
